

Volunteers of the St. Paul Lutheran Church of Raritan Township recently helped harvest more than 2,000 pounds of combined corn and string beans for America's Grow-a-Row (AGAR) at Peaceful Valley Orchards in Union Township. The volunteers spent two hours picking and bagging the corn and beans which were then delivered to local food pantries. Here are, Chip Paillex of AGAR, Gene Partlow, Clare Partlow, Matt Brooks, Jon Mueller, John Rudder, Pastor Bob Mueller, Natalie Brooks, Breanna Cavanaugh, Karen Brooks, Mahtob Ahan, Ruthie Ahan and Gavin Blaszk.
