

# Help us make change.

Pennies 4 Produce™ is a friendly community service project for all ages to raise funds for America's Grow-a-Row's programs. The best part of Pennies 4 Produce™ is that participants can use their creativity to come up with the type of fundraiser they want to do. Fundraisers can be anything from a simple coin drive, bake sale, or a fundraising dinner. We encourage making teams within your group to create a friendly competition. America's Grow-a-Row is here to support and promote your efforts. The sky's the limit! Start gathering ideas that can be implemented during your P4P campaign.

## Why your donation matters:

Volunteering is only part of the picture.

Please support the America's Grow-a-Row full circle approach to the fight against hunger.

Your tax-deductible donation will provide farm-fresh produce to our neighbors in need and educate people of all generations about healthy eating.

## About America's Grow-a-Row

America's Grow-a-Row (AGAR) is a 501(c)(3) not-for-profit organization located in Hunterdon County, New Jersey that grows and gleans fresh, healthy fruits and vegetables that are then donated to hunger relief agencies throughout the state of New Jersey and distributed at our Free Farm Markets in impoverished New Jersey cities. AGAR currently donates over 1.3 million pounds of farm-fresh produce each year and educates people of all ages about healthy eating and nutrition, the hunger crisis, and agriculture. AGAR began in 2002 and has grown into a dynamic grassroots organization that has donated over 7.7 million pounds of produce since its inception; in 2017, engaged more than 9,100 volunteers from the community and various groups, schools, and corporations who assist in the planting and harvesting crops; and has become New Jersey's leading service organization dedicated to growing, gleaming, and donating fresh healthy produce to those in need throughout the state.

**Thank you for your community service and for joining us in the fight against hunger!**
