

Pennies 4 Produce® is a community service project for all ages to raise funds for America's Grow-a-Row's programs. The best part of Pennies 4 Produce® is that participants can use their creativity to come up with the type of fundraiser they want to do. Fundraisers can be anything from a simple coin drive, bake sale, or a fundraising dinner. We encourage making teams within your group to create a friendly competition. America's Grow-a-Row is here to support and promote your efforts. The sky's the limit! Start gathering ideas that can be implemented during your P4P campaign.
